On September 21, 2019, we celebrated the International Day of Peace at the home of Peace Ambassador Eva Arzamendia at the Santa Maria neighborhood where WFWP is participating already for some time in a voluntary work.

Over 100 women and some men gathered. The event started with welcoming remarks from Peace Ambassador Eva Arzamendia.

A video about WFWP and True Mother was shown. Then a lecture was given by Prof. Gustavo Giuliano, about Family as The Cornerstone of Peace. Among all the participants we had about 80 % new guests, who were deeply inspired by the event.

After the lecture, we held a very beautiful sisterhood ceremony with 12 women from the Santa María neighborhood and 12 WFWP members.

The event ended with a wonderful dance by the dance group of Peace Ambassador Lidia Gimenez, as well as raffles, which included tickets to the Musical theatre Madame Lynch. And during the event All ladies received a gift t-shirt from WFWP USA.

Special thanks to everyone who made this beautiful event possible.
