December 24, 2012

### **You are invited to the 33rd European Blessing Preparation Workshop for 2nd Generation members and Parents**

It is very important as we prepare ourselves for the Matching and Blessing that we have an in depth understanding of the Blessing and the process of the matching and Blessing. This Workshop is a requirement for all who wish to attend the blessing and is made to be a help for all candidates preparing for the matching or those matched preparing to go to the Blessing.

The Blessing WS will be a time for the participants, both the parents and the 2nd Generation members, to prepare for the Matching process and the Blessing. We will use the time to go in detail into the meaning and process of the Blessing as well as how we can and should prepare ourselves in our hearts as well as practically for attending God and TP through the Blessing. There will be time to share and also work on one's personal situation.
