### **Breaking news!!**

**TRUE PARENTS/ ABSOLUTE GOOD SEX PRESENTATION ON NATIONAL TELEVISION, RADIO AND IN THE HIGH COURT IN St. VINCENT!!..Meeting Jesus and True Father in Spirit world. Dec 31/Jan1.**

*Report by: Rev Dr. Dawn Bacchus-Horan*

Our year 2012 came to a dramatic ending with a national broadcast and interview on television, radio and in the High Court in St. Vincent and the Grenadines, featuring a video presentation of True Father's last prayer and words to True Mother. This inspiration was heightened by True Father's visit to Hyung Jin Nim on Absolute Sex!

This year has been an historic year with the ascension of True Father in this dispensation and the preparation for Foundation Day. We wanted to make it a most memorable one on a national level. I arrived in St Vincent on December 14th and received the video on Absolute Sex from Hyung Jin Nim the following morning. It was amazing since our plan was to present True Parents work in a profound way to make a difference for Foundation Day, with a message that will impact change in the hearts of humanity for establishing Chung Il Guk. (The Kingdom of Heaven on Earth.)

We selected the 3 Peace Messages from the Coronation in May 2006, to Read on National Radio. (1) God's Ideal Family And The Kingdom Of The Peaceful Ideal World. (2) God's Model Ideal Family And Nation and The Peaceful Ideal World. (3) The Kingdom Of Peace And Unity In Heaven And On Earth.

On the day of my arrival, my sister Kay Bacchus-Brown informed me that she had a meeting with our Prime Minister Dr. Ralph Gonsalves and invited him to Korea for Foundation day. He assured her that our Government would be represented in Korea.

**It is important to note that our Prime Minister, Hon Dr. Gonsalves and the former Prime minister and leader of the opposition, Dr Arhnm Eustace, each sent a recorded video to Korea which was played for millions at Father's swang hwa. St Vincent was the only country which had messages from both political leaders played at Fathers ascension. Dr Gonsalves stated in his message that St. Vincent and the Grenadines has devoted followers of Rev Moon.**

We started our final mission for 2012 with a visit to our ancestors resting place as Dae Mo Nim reported, that since True Father went to Spirit world millions of good spirits and ancestors were mobilized and descended to earth, and that we must call on them and send them to work on our behalf. Father instructed us to do this in his words, we did.

### *Visit to Ancestors resting place*

The following days in the week ahead, we did live national radio program inspired by Hyung Jin Nim message of Absolute sex and daily reading from Cheong Seong Geong on the way to building God's Kingdom. The feedback was very encouraging and moved the hearts of the listeners. We also read some speeches from True Parents.

**Radio program presented live**

Professor Lionel Richards a university scholar and Priest of the Anglican Church was deeply inspired by Fathers Autobiography. He asked to meet with us and requested to be taught more about The Divine Principle. We arranged some sessions with him.

**Pro Lionel Richards - Divine Principle lecture given**

## **Teaching OSDP in the High Court.**

Justice James, the High Court Judge also requested to meet with us in the High Court to continue the discussions on the Divine Principle. We spoke in detail about the root cause of the breakdown in the family and the misuse of the sexual organ as the cause of delinquency in good family values that lead to crime. Justice James asked us many questions and agreed with us about the family breakdown and sexual misconduct. We reiterated that Absolute Good sex centered on God was the way to restore families and build The Kingdom of Heaven on earth. This would reduce the crimes in the nations. Justice James was very inspired.

*Kay Bacchus Brown, Justice James and Rev Dawn Bacchus-Horan, OSDP session in High Court*

Our message was taking root, it made people pause to think deeper and examine their lifestyle. Our next goal was a television broadcast. We selected the video with Fathers Last Prayer to Mother which featured highlights of His work on earth. We did an interview on television and again stressed the importance of Absolute sex connecting it to the way forward to restoring the family, community, nation and the world. This entire presentation was seen on national television and reached over One hundred and twenty thousand viewers. (120,000)

We arranged a meeting with Ambassadors for Peace and did Hon Doe Hae with them reading True Mother's speech and words from Cheong Seong Geong.

Our Final live radio broadcast was astounding! After reading Father's words, Mother's speech, and an explanation of Absolute Good sex as the key to inviting God in the union of husband and wife, Kay read an article she received from God which was published in the national newspaper fifteen (15) years ago on True Sex between husband and wife as "The Great Mystery" from God. (See article attached).

**Kay Bacchus-Brown Reading Message from God - Rev Bacchus-Horan**

We ended the mission with a special sermon given by myself to Chebar Evangelical Assembly upon request from Rev Samuel. The message was given again and well received by all. Rev Samuel is a government social leader was invited to Korea for Foundation Day. He happily accepted.

**Testimony meeting True Father and Jesus in a vision from Spirit World December 31st 2012 and Jan 1st 2013.**

I completed my report on Dec 31 2012 and fell asleep on my couch. I asked my husband to wake me before midnight so we could welcome the New Year with Prayer.

I had a vision before midnight. **I met with Father and Jesus Christ together. I sat at a table between them. True Father was on my right and Jesus on my left.** I saw many people lined up trying to meet with Father. Jesus looked disturbed, he got up and walked a few meters away, I followed Him and asked why He looked so sad; Jesus replied that he was concerned that Christianity was going down a very rugged path and not accepting True Father as the returning Messiah. He kept walking and holding His head down looking at the gravel below. I wondered what I could do to relieve His sorrow. At that moment my husband woke me up. It was 11.55 pm. Dec 31st.

I told my husband that I was having a vision with True Father and Jesus, and how sad Jesus looked. My husband and I ushered in the New Year with prayers to God, True Father, and Jesus Christ. After that I thought about my vision, I couldn't sleep. I wanted it to continue with the vision. I prayed and ask God. Shortly after 1.00 am New Year's morning, I fell asleep again. **An Amazing thing happened. The Vision continued.....**

This time I saw thousands of people travelling down this rugged road, there were children, parents, teachers and professionals, many people. I was standing at the back of the line looking at them. At the bottom of the line, on the path of gravel was a plateau. I remembered what Jesus said to me and wondered how I could help them.

Then I heard singing on my right. There were hundreds of people coming from all directions, a much smaller group. Each person was walking to a center point and grabbed a microphone to join the singing. I hurried over to get a mike to join the singing. **I realized these were blessed family members.**

**"...He will send out His angles with a loud trumpet call, ( the microphone) and they will gather His elect from the four winds (north, south, east and west) from one end of heaven to the other." Matthew 24: 30-31.**

I took a mike and was determined to send a message to the people going down the rugged path. The people singing looked like a very large tall tree, like a Christmas tree. I wanted to get to the top. I found myself on the extreme top of the tree like the highest mountain. I was on the tiniest branch at the peak. **I held unto the branch with one hand and the mike in the other, giving praises to God, True Parents and Jesus Christ, and sending The Good News about Father to the world.** People looked very small below. The tiny branch was swaying in the wind. I did not care for my life or safety everything looked so small below. I saw True Father on my right and Jesus on my left. I knew they would protect me. Then I found myself joining the other people below. Everyone was singing loud praises and cheering. The King was exalted.

Many people gathered around from the north, south east and west. Then a few people began to say negative things that seemed like darkness to me. The words of the Lord came to me and I said. **"I am the bringer of light, I have come to bring light unto the world" I told them "I do not want to hear about darkness.** My mother called my "Dawn" meaning the light of day".

Many good people gathered around to help spread the "Good News". All I saw was a group of positive good people working together in peace and unity the negativity was gone. A doctor came forward and offered to heal my foot; he injected a pure substance in my foot. This was to enable me to walk the rugged road to liberate Jesus and reach Christianity. **I saw for the first time unity, love, peace, praises and goodness coming from all. There was Peace on earth and in heaven. It was an amazing site of perfection and True love.**

This was the end of 2012 and the beginning of 2013 a path to Foundation Day, when God's Kingdom will be established centered on True Parents. I finally woke up. It was a blessing to see Jesus and Father working together in Spirit world. Aju'.

**JESUS and TRUE FATHER TOGETHER**

Walk with me by Greg Olsen
