All-Ukrainian Members Meeting

Mykhailo Ilin - January 18-20, 2019

From January 18 to 20, we held an All-Ukrainian Members Meeting, whose main theme was bringing the year 2018 to a conclusion.

The program included guidance from our national messiah and elder members, as well as testimonies of members' best victorious experiences of 2018.

Everyone could ask questions during the discussion sessions, watch a movie, and communicate with each other in a family atmosphere.
