On August 11, WFP Ukraine became a partner of the 5th Annual "Children of God" Charity Festival. WFP invited its beneficiaries for the event and attendees also included Internally Displaced Persons (IDPs) and families with special needs.

About 1000 children took part in the festival. The goal of the event was to allow children of all ages to celebrate childhood and the theme of the festival was, "We are all God's children."

The project included a buffet, the "Philanthropist of the Year" award ceremony and a festive concert with Ukrainian pop stars and talented children from all over the country.
