

2 Day Divine Principle Workshop

Bucharest, Romania, 1. – 2. October 2016

Greetings from Romania!
I would like to start this report by offering our gratitude to our Heavenly Parents and True Parents. This week was 4th week of the 10th 40days JeongSung Condition period for JeonDo in Romania. We started with such a determination to offer victory for Heavenly Parent and True Parents.

We concluded this week with 1 Day and 2 Days Divine Principle Workshop with grateful spirit. We were so happy to receive new people who has desire to study Divine Principle in a higher level.

For 1 Day workshop we had one guest and the lectures were about 'Principle of Creation', 'Human Fall' and 'Introduction to restoration'.

Even if we had only one guest he was focused in order to understand the message of the Divine Principle

In 2 Days Divine Principle lectures were 'Principle of Creation', 'Human Fall' in the morning and in the afternoon 'Process and motivation of Human Fall', 'Eschatology and Human History', and 'Resurrection'. Even it was more deep content and more information, all the participants were very focused on the lectures, they asked for more explanations if something was unclear. They came with strong determination. So they showed us their desire to study more deeply. Each participant liked different lectures from Divine Principle.

In the afternoon before starting the second part of Divine Principle lectures, we made small joyful time for participants. Two Active CARP member prepared a small challenge in order to understand how to practice True Love and how to create Unity and

Harmony. The challenge was to make a small artistic moment that represents True Love or Peace. We had a good time and we learn more about each other and how to work together.

In the evening we organize 'Family Sharing Time'. We started by singing together few songs and then we shared about our day, but also about our life in general. We had the chance to learn more about each other.

Second day of workshop we had lectures about 'Introduction to restauration', 'The providence of restauration in Adan's Family', 'Purpose of Messiah and the accomplishments of True Father' and presentation about 'CARP membership'. In this chance we could share clearly that True Parents came on the earth as Messiah in order to bring this Truth and save us. And all the participants were very curious about True Parents life. Also the presentation about CARP membership was good opportunity to share more practical things about us.

We are sure that this workshop was new life experience for all of us with new vision and hope. We will continue to support our new brothers and sisters to discover Heavenly Parents heart through Divine Principle study and activities.

The guests were really inspired about the family atmosphere that they found in Peace Embassy and they declared they will come back as soon as possible.

Thank you so much Heavenly Parents and True Parents.
