Letter from Secretary General Ryuichi Kishimoto, **Cheonshim Won North America**

Dear Regional Directors, Pastors and Ministry Leaders, and Beloved Family Members,

I greet you with a heart of gratitude and reverence to our Heavenly Parent and True Parents.

My name is Ryuichi Kishimoto, and I am honored to serve as the Secretary General of Cheonshim Won (Cheon Shim Won) of Heavenly North America. As many of you are aware, Cheon Shim Won Heavenly North America has entered a new chapter, now operating under the Family Federation as a new ministry. I want to assure each of you that our mission remains steadfast and our commitment to this movement is stronger than ever.

My vision for this ministry is the revival of North American members through Cheonshim Won — creating a place where we can truly feel the presence of our Heavenly Parent and unite in heart with True Parents. I believe this is the moment for a deep and lasting spiritual renewal across the United States and Canada.

The vision of Cheonshim Won is to serve as:

- The original palace of Jeongseong (sincere devotion)
- The original palace of Spirituality
- The original palace of education for Cheon Il Guk leaders and blessed families

Following True Mother's words on Spirit and Truth, and walking hand in hand with the Family Federation, we are committed to bring about a spiritual revival for North America. We are here, we are united, and our work continues with full dedication and determination.

I look forward to serving alongside each of you and building this ministry together.

With a heart of love and gratitude,

Ryuichi Kishimoto
Secretary General, Cheonshim Won

What is Cheonshim Won?

(from the Chambumo Ron)

On October 10, 2020, True Mother gave Jeongshim Won (情心苑, Garden of Heart and Emotion), the prayer hall at the training center, a new name, christening it **"Cheonshim Won" (天心苑, Garden of Heaven's Heart)**. Establishing Cheonshim Won as a providential organization, she designated it as a place to nurture second- and third-generation spiritual leaders for Cheon Il Guk.

I have brought the third generation forward to establish the tradition of the providence. While I am on earth, I will create all environments to be free-flowing, like running water. I will plan and develop Cheonshim Won as a place to cultivate talented individuals as pure water who can communicate with the pure and clean heart of Heaven.

Cheonshim Won is the worldwide headquarters for jeongseong (devotions). It is the main

sanctuary for jeongseong in Cheon Il Guk, the main headquarters for the spiritual providence, and the center for developing the spirituality of Cheon Il Guk leaders and blessed families. **Cheonshim Won is a place where blessed families can resonate with the heart of Heaven.**

When we are on the same frequency as Heavenly Parent and True Parents' hearts, we experience resonance with them. **When we achieve resonance in unity with Heavenly Parent and True Parents, we can hear their voices.** Therefore, prayer is not a monologue but resonance with Heavenly Parent and True Parents' heart. ...
