### Ascension Of Avril Masters - Seonghwa Ceremony Details And 3-Day Prayer Devotion

Mrs. Avril Masters ascended peacefully on 9th April at the age of 96. She and her husband Mr. Henry Masters (ascended in May 2020) were truly an amazing couple who dedicated their life completely to God and True Parents. They offered several generation's worth of inherited wealth keeping nothing for themselves which has and still contributes so much to maintaining such a strong foundation for the movement, not only in Britain but also in Europe.

Mrs. Masters lived a life of humility and brought happiness with her warm, welcoming and understanding heart towards everyone she approached and made each one of us feel special with her smile. Her life itself was her message to us all to love God and people. We can't express enough how special she was and how they were as a couple.

We would really appreciate it if you could [share or donate to this GoFundMe campaign](#) to express our gratitude towards the Masters and their family.
