### Special Needs Families in your community

Dear Pastors,

Thank you so much for your investment in our communities. We could not do the work we do without your support. You are always in our prayers. I promise.

Our Blessing and Family Ministry needs your help to support Special Needs Families in your community. Please help us help them by making sure that every family in your community knows of this Ministry. If they so wish, please send us their name and contact information, we will do the rest. We have set up a special, unique email: [specialneeds@unification.org](mailto:specialneeds@unification.org)

We are reviving this important ministry which was formerly known as "Treasures of Heaven". "Treasure of Heaven" was the expression used in the past when we spoke about individuals and families who have physical or mental handicaps. This ministry, now called "Special Needs Ministry," is still in the infancy stage, but we are working closely with Europe and we are learning from each other. Together, we have scheduled a Zoom meeting for Parents to discuss and evaluate the matching of their Special Needs Children on Saturday, November 7, so for those who may be interested, we really want to make them aware of this meeting and the support that is available.

To reach us, email directly to [specialneeds@unification.org](mailto:specialneeds@unification.org).

I am the only person receiving these emails at this time. However, I am working together with Andrea Kuhn of Canada and receive the support of Marjorie Buessing and John Abelseth as well.

May our Heavenly Parent always be with you.

With gratitude,

Anne-Marie Mylar
