January 13, 2024

This picture is from late May 1979 - Jim and Tula Mylar, President Neil Salonen, Kem and I.

From the time I was engaged to my future husband Kem Mylar, I was always presented to a newcomer as "Kem's wife", not Anne-Marie, but "Kem's wife". I had no problem with it. From the very beginning I appreciated the choice that Rev. Moon had made in choosing him as my future husband.

He was, at that time, the assistant of the President of [HSA-UWC](#) in the USA. Many brothers and sisters knew him.

Thirty-one years later, A matching platform, which I created became live. It is called the "[Online Matching System](#)". Quite quickly, it started to be used across the world as one of the tools for the new generations of Unificationists to find their future spouse.

My husband then became "Anne-Marie's husband", not Kem, anymore, but "Anne-Marie's husband". He used to joke about it, he did not mind it. He actually loved it.

He and I were and still are today "one".

Thank you Heavenly Parent and True Parents for our blessed lives.

The black and white picture is our very first picture together - We had just been matched. The other picture is our last one - August 2012. About 5 weeks prior to his departure to the Spiritual World.

About: the name: Cheon Il Guk Incorporated

Cheon Il Guk: The meaning of this Korean word is that "two become one." In other words, it indicates unity, harmonization, reconciliation, cooperation and oneness in heart and mind. Cheon Il Guk is a nation of peace that transcends geographical boundaries, as well as boundaries of nationality, ethnicity, race and religion. *True Mother – March 1, 2015*

Business Philosophy

In a world becoming ever more global, individuals who wish to create marriages that overcome the boundaries of race and culture will expedite the ability of humanity to establish a world of peace. Learning others' cultures and ways of thinking will eliminate the fear of the unknown and make human beings less likely to wage war based on fear and ignorance. The advancement of world communications is making it possible for families to have a global impact on the future of humankind.

Received April 4th, 2023

A kind and appreciative email from an older sister, who followed the process diligently on OMS.

Dear Ma'am,

I am so glad that the status of my profile has changed, and I am now a Candidate, able to search. I am most grateful for the tutorials you sent, it was of a great help, but I am still going through it for more understanding. In fact, your system of searching for a spouse is the best I have ever seen in our movement.

I am not in a hurry at all, I will wait patiently for the right person with a lot of players, I will always get in touch, Thanks once again ma'am
