A young couple in their twenties, Shaun and Keila, received the Blessing in St. Louis. Twenty-seven guests attended, including their family members who were very inspired. As first generation Unificationists, they decided to receive the Blessing because of a testimony they heard from Unificationist Kathy Rigney about the many Blessing ceremonies taking place in Africa just a couple of weeks ago.

One of the couple's family members said, "Thank you from the bottom of my heart for opening the doors to us. I could never have imagined such beautiful ceremony!"
