Weekly Service Schedule

Dear brothers and sisters,

Last Tuesday, we held the ascension (Seong Hwa) and burial (WonJeon) of our dear sister Carmela Lim. This coming Monday, our dear brother Alec Herzer is honoured and bid farewell.

53 years ago, True Father explained: "Every being reaches eternity, and each being expresses itself in a unique way."

Being present and accompanying these precious elders on their journey into the eternal spirit world is a real gift and a mirror.

Let us treasure their legacy and the unique expression of love, life, and lineage they share with us.

In Peace & Harmony,  
Bogdan & Yoshiko

# EUME Leaders Meeting Held In Prague!

From the 16th to 18th of January around 150 leaders from across our EUME region met along the theme of 'Passing the Flame', hear all about it below...

Eight brothers and sisters from the UK participated: Betty, Sophia, Allister, Alvit, Miwa, Farhad, Yoshiko and Bogdan. "GB – Giving Britain" was the motto and internal goal we set for our participation. We welcomed Rev. Ken Doo, the Director General of FFWPU International.

You can listen to the Sunday Message by Rev Ken Doo below. During a personal dinner with two other young national leaders, our International Director General encouraged us strongly to shape and develop our national movements in concrete ways that substantially serve the people around us.

The evening worship session felt especially significant as young Unificationists are finding their (our) voice in honouring and praising Heavenly Parent. We are grateful that Sophia and Allister could contribute to the meeting by leading the session.

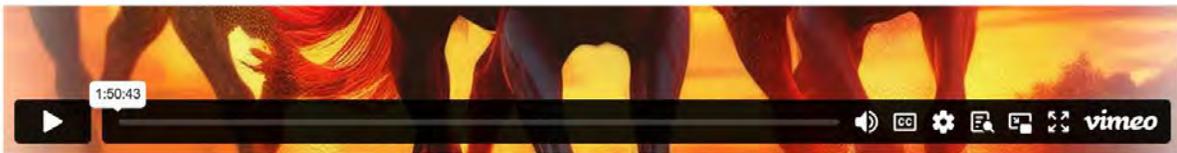

It was a weekend of sharing and discussion centred on three topics: (1) Generational Leadership Transition, (2) the challenges our movement faces in Korea and Japan, (3) the launch of the EUME Youth Department. For 14 nations, the meeting marked the transition to new national FFWPU leadership. You can find recordings of the session reports below.

### Takeaway and action points

- The UK recently went through a generational leadership transition. We could share our experiences and lessons learned with other nations that are just starting this process.
- Concerning Japan and Korea, we received relevant updates, and the UK HQ will compile this information into fact sheets that we hope you will find helpful.
- You can nominate others or volunteer yourself to join the FFWPU EUME – Youth Department Team (further information coming soon)
- Join and invite others to the FOUNDATIONS Programme. The six-week online programme is for ages 18 to 39 and offers an opportunity to deepen our connection with True Mother. Among others, our National Pastor, Bogdan, will share insights into True Mother's recent revelation of the Only Begotten Daughter. [Click here](#)

## Applications For Mini FOUNDATIONS 2026 Are Now Open!

**FOUNDATIONS** is an online faith-development program, under the FFWPU Europe and Middle East, that was first introduced at the end of 2021. This year's focus is on True Mother, and on understanding her Emotion, Intellect, and Will, captured in the motto: "True Mother's Heart, Our Guiding Light."

Through 6 online sessions, the program invites participants to strengthen their faith and experience personal growth through practical and refreshing lectures, team discussions, and activities. While the program creates space to reflect on recent events surrounding True Mother's detention, the changes our movement is facing, and the current Providence, its heart is centered on learning how to follow True Parents' words and example in practical, meaningful ways for daily life.

Through talks, daily HDH (morning Zoom meetings or reading in your own time), group discussions, specially tailored activities, Q&A sessions, a dedicated website with material and information, chats to connect with other participants, we hope to offer as much interaction as possible within this online program.

The online course has a fee of 30€.

This program is meant for Unificationist members aged 18-39.

Please note the program will be conducted in English.

The online sessions will take place every Monday from 7:00 to 9:00 PM CET, running from February 23rd to March 30th.

Please make sure to fill in all the necessary information in the application form.

After submitting your application, a staff member will contact you to schedule a one-on-one call.

## 'Own Your New Dawn' 7-Day Workshop Held At Livingstone House!

**Please hear from our beloved sister Tae about the workshop that just took place, bringing different generations and ages all together...**

'From January 5th and 11th, UK 7-day workshop was hold in Livingstone House! This time, River south HTG team and North Thames HTG team organised with local members and invited their guests. Two guests and six members participated on all seven days and received certificates of completion. Including those who participated partially, the total number of participants in the workshop, including staff, was 10 guests and 40 members. 🌟🌸

The main contents of the workshop were Principle, Korean Epic, True Parents' Messianic Proclamation and Life, Heavenly Parent and FFWPU's vision, and there were also many testimonies from blessed families. 😊

The participants were highly focused during Dr. Hanna's lecture, making it a very peaceful and educational workshop. Both staff and participants helped each other and worked hard to create a positive atmosphere, resulting in a warm, family-like atmosphere. The guests were deeply inspired by the content and by our members. Seeing the guests' reactions reaffirmed the beauty of our community and gave us hope for the future. The workshop provided an opportunity for participants to consider how they will shape their own lives in 2026, learning about the Principle, Heavenly Parent's dream, True Parents as the Messiah, and Korea as a nation prepared by Heaven. 🌟

There were many beautiful moments during the workshop, such as deep conversations as brothers and sisters, the willingness to learn from each other across generations, the staff working together towards a common goal to run the workshop, and the resurrection of each guest, which all seemed to inspire and move the all participants. 🌟

Throughout the workshop, one guest even completed an application and committed to membership. It appears that all participants, including the staff, gained renewed motivation for 2026. 😊

Thank you for your support and prayers! 🌟

## Hear From Mark C. About His Time In Korea!

**Our Brother Mark recently spent 40 days in Korea, helping with media for our movement in these difficult times, please read his testimony on his experiences below...**

'I returned to the UK at the beginning of December after spending 40 days in Korea. I originally went to help with the church's media campaigns in support of True Mother's case. I didn't plan to stay for exactly 40 days, but it ended up being deeply meaningful, and I'd like to share a few reflections from that time.

The main conclusion I came away with is a firm belief that what is happening to True Mother is undeniably unjust. Being close to the situation and learning more about Korea's current political climate, as well as Korean culture, made it very clear that our church's case is part of a much larger political struggle taking place in the country.

During that time, I was able to be present in small ways. On the first day of Mother's trial, I managed to get into the overflow room at the courtroom. On another occasions, I visited the detention center where she is being held and saw members coming faithfully each day to pray for her. Witnessing that devotion left a strong impression on me.

One particularly eye-opening experience was meeting the son of a pastor who has been imprisoned by the same prosecution team handling Mother's case. His father interviewed a political candidate at his church, something that is only partially legal in Korea, where freedom of speech is far more limited than in the West. Normally, cases like this result in fines of around \$1,000 to \$2,000. Instead, his father has already been detained for over 100 days and may be sentenced to more than a year in prison.

For the first three weeks of his detention, his son told me that his father was treated horribly, not even being allowed to change his underwear. This has been confirmed as fact.

So when we hear about True Mother's treatment, that she was denied a wheelchair or cane and had to crawl on her hands and knees, that she was not given enough bedding and was freezing at night, and that she is constantly monitored by a camera, these are not exaggerations.

After my trip to Korea, I strongly believe they are trying to making examples of churches and pastors to suppress anyone who seeks to bring God and His values into politics. And as we know from history and from True Parents' teachings, when a nation turns away from God, it moves toward authoritarian ideologies. This is not just about True Mother and the unification movement, but a battle for the soul of Korea'
