Connecting our UK Holy Community

Dear brothers and sisters,

Greetings from Livingstone House. Brothers and sisters in pastoral and organisational responsibility have gathered here since Thursday evening to recharge and refocus.

As a team, and together with all of you, we are focusing this year on making our Sunday Services places where we can freely express our love for Heavenly Parent and where our hearts can rest.

Another focus of this meeting is improving the communication and collaboration between the UK head office and communities. Through this meeting, we could make significant progress there.

As we prepare to celebrate True Parents' birthday this year, please read the message from our continental director couple, Dr. Michael and Fumiko Balcomb, attached below in the National Director's Corner.

Looking forward to seeing many of you at the National Service!

In deep appreciation,
Bogdan & Yoshiko
