Developing Internal Intimacy

This program will focus on developing internal intimacy through three objectives:

1. Understand God's original vision for the absolute sex
2. Practice open communication about God-centered sexuality.

3. Get support from brothers or sisters (separate groups) and learn together

These objectives will be achieved through discussions, guidance from group leaders, and studying True Parents' words on sexuality in the Core of the Universe book.

If you want to be a Godly husband or wife in the future, this is the best opportunity around.
