Connecting our UK Holy Community

Dear brothers and sisters,

This week, we invite you to send messages of gratitude and support to our Japanese brothers and sisters. (See below.) We will convey these messages to Japan via various channels. Please make sure not to miss this opportunity. It's easy and meaningful. This country and the whole world have received so much love and dedication through the Japanese members.

No person, power or government can suppress real faith and true love. As True Mother has told us: "It may take time, but the truth will prevail." And together we will win the victory of love. As we could vividly experience in the beautiful Seong Hwa Ceremony for our sister Hildegard Bain this week, love always wins. Thank you to everyone who was part of it. We are proud to be part of this community.

Sincerely,
Bogdan & Yoshiko

From Khalil Gibran's "A Visit from Wisdom":

"Then Wisdom put her hand on my burning brow and said:
"Go then forward and do not tarry, for perfection is ahead. Go, and have not fear of thorns
on the path, for they only draw corrupted blood."
