Introducing the Wall of Hope Project!

Join us in a global offering of love, support and unity for our beloved members going through hardship in Japan.

Dear brothers and sisters,

In moments of pain, uncertainty, or challenge, it is common for us to feel helpless, especially when distance separates us. Yet even across oceans, our hearts remain connected. Today, as our Japanese FFWPU family faces difficult times, we have a chance to come together as an international community and offer something deeply needed: love, encouragement, and solidarity.

To support this purpose, we are launching the Wall of Hope, which is a simple, open space where any member from any nation can share a message of comfort, gratitude or prayer with our Japanese brothers and sisters.

What Is the Wall of Hope?

The Wall of Hope is an online board where you can:

- Write a message
- Share a memory about Japan or a personal experience with Japanese members
- Offer a reflection or words of strength
- Add an image if you wish
- Read and support messages posted by others

No account is required. Posting is simple, and every message will be reviewed and lovingly shared by our team.

How to Post Your Message (It's Very Easy!)

- 1. Click "Post"** (or the + symbol may appear on phones)
- 2. Write your message**

- Please write in **your native language**
- Then in **English**
- And also in **Japanese** (Google Translate is perfectly fine!) here is a link to Google Translate translate.google.com/
- **3. Publish**
- Your message will appear on the Wall of Hope after approval.

You may write one message, or as many as your heart calls you to share.

Why Your Message Matters

Our Japanese community has given endlessly to the world: devotion, education, guidance, hospitality, sacrifice, and a profound spiritual example. Many of us carry cherished memories of the kindness and dedication of Japanese members we've met throughout the years.

Wall of Hope for our Japanese Members 日本のメンバーのための希望の壁

A place for our community to support our brothers and sisters in Japan. We support and stand by you. 私たちのコミュニティが日本の兄弟姉妹を支援するための場所です。私たちはあなた方を支え、寄り添います。To write a message please write it in your native language, in English (if your native language is not English) and in Japanese. Please use Google translate to help you translate.

As someone witnessed by a Japanese brother Hiroshi Fukuto i want to express my heart, love and gratitude for brothers and sisters in Japan. They have been working and sacrificing a lot for God's will and Heavenly Parent know this very well and He loves them all. This is not the end but a transformation in a new way to create Cheon Il Guk. Know that God is with you all the time don't loose hope keep faith and go on. You saved me and you saved the world.

日本の兄弟である福藤浩によって目撃された者として、私は日本の兄弟姉妹たちに対して心からの愛と感謝を表したいと思います。彼らは神の意志のために多くの努力と犠牲を払ってきました。天の父もこれをよく理解しており、彼ら全員を愛しています。これは終わりではなく、天一国を創造する新しい方法への変革です。神が常にあなたたちと共にいることを知り、希望を失わず、信仰を持ち続け、前進してください。あなたたちは私を救い、この世界を救いました。

Japanese seeds of love grow and blossom all over our world - 日本の愛の種は世界中で育ち、花を咲かせる

Yoshiko with parents, Bernard and Masako Chellew, and 3rd son, Calon

To our dear Japanese brothers and sisters
Thanks to you, so many of us are here today, as members of Heavenly Parent's family. Many of us are children of Japanese mothers or fathers and feel connected to Japan even though we never lived there. We and many others are fruits of incredible devotion that we do not know the extent of. Japanese members went all over the world, as seeds of God's Providence, and dedicated themselves to the Will of God in all forms, in all countries. Japanese members have been the living example of serving and loving beyond barriers of language and culture.
When my mother first moved to UK in 1982, after being blessed to my father, she couldn't speak any English yet. And yet she was asked

Kizuna (絆)

To our brothers and sisters in Japan,

As someone who is part Japanese, I feel both pride and a deep connection to the spirit and heritage of the Japanese people. Throughout history, Japan has been known for its strength of character, sincerity, humility, and dedication to serving others. These qualities are admired around the world.

True Father recognised this and said of the Japanese members they are "exemplary, demonstrating faith, dedication, and the ability to mobilize for the world mission" (Taken from Chambumo Gyeong, Book 6: The World Tours and the Global Mission).

During difficult times, it is often these very qualities that shine the brightest. The resilience and quiet courage that are part of the Japanese spirit have carried the people of Japan through many challenges before, and they will continue to do so now.

Please know that many people around the world are thinking of you and standing with you in heart and spirit. I sincerely hope that you find strength, unity, and encouragement in one another during this time.

With respect, solidarity, and hope.

Joy, daughter of Tomoko Fukuzaki Harris in the UK

日本の兄弟姉妹の皆様へ

私は日本人の血を引く者として、日本人の精神と伝統に深い繋がりを感じています。歴史を通して、日本は強い精神力、誠実さ、謙虚さ、そして他者への奉仕への献身で知られてきました。これらの資質は世界中で称賞されています。

真のお父様はこれを認識され、日本の信徒について「模範的で、信仰、献身、そして世界宣教のために行動する能力を示している」と述べられました（『宇宙の旅と世界宣教』第6巻より）。

困難な時期には、まさにこれらの資質が最も輝きを放つことが多いのです。

A message with hope and gratitude.

Dear Japanese brothers and sisters,

Hope you all are doing well and your families are safe. I know it has been a difficult time and it lasted long, took you a lot to face it and remain standing. Although many things happened you made it this far. As far as I see you all are a witness of what True Parents teach us. Japanese brothers and sisters you are the ones who invested the most for the movement and I believe this is because you received so much pure love from True Parents that you passed on to 2 gens and the rest of your communities.

So many great stories and testimonies come from you. So much inspiration and witnessing came from you and many children's of Heavenly Parent were found by you, so as I see these I can't say enough thank you for the investment you made.

When the time comes everything will be fixed and we will be able to count it as one more victory for our God and one more story of courage for the generations to come. I truly believe this.

Thank you for everything!
Greetings from Albania

日本の兄弟姉妹の皆様へ
皆様がお元気で、ご家族が安全であることを願っております。大変な時期が長く続き、それに立ち向かい、立ち向かうのに多くの苦労があったことを承知しています。多くのことがありましたが、ここまで来られました。私の見るところ、皆様は真の父母様が私たちに教えてくださるこの証人です。日本の兄弟姉妹の皆様、皆様こそがこの運動に最も力を注いでくださった方々です。それは、真の父母様から多くの純粋な愛を受け、それを二世帯、そして皆様のコミュニティに伝えてくださったからだと思います。皆様から多くの素晴らしい物語と証しが与えられ、天の父母様の多くの子もたちが皆様によって見出されました。これらのことを見ると、皆様の献身にどれほど感謝してもしきれません。時が来れば、すべては解決し、私たちはこれを神のもう一つの勝利、そして未来の世代のためのもう一つの勇気の物語として数えることができるでしょう。私は心からそう信じています。全てに感謝します！

Thank you for your sacrifice and hearts!

Everytime I have been in Cheonpyeong or spent time with Japanese missionaries I have always been so touched by their heart of giving and humility. I have never seen dedication the way I have witnessed in my fellow Japanese brothers and sisters. Thank you for continuing to be a symbol of hope and investment in our movement. We are all so grateful for the foundation you have helped to lay.

天平を訪れるたび、また日本人宣教師の方々と過ごすたびに、彼らの惜しみない献身と謙虚さに深く感動しました。日本の兄弟姉妹の皆さんほど献身的な姿は、これまで見たことがありません。私たちの運動にとって、希望と投資の象徴であり続けてくださり、ありがとうございます。皆さんが築いてくださった基盤に、私たちは皆深く感謝しています。

The Greatest Gift

Deepest gratitude to our beloved Japanese members! We always remember you, your tears and sacrifices for America and the world.

As a one year member, I lived with Mr and Mrs Hamasaka and children in Seattle for ginseng business. They embraced western members as family and were very hard working. Mr Hamasaka took me to a Japanese sushi bar for a comprehensive platter as my first taste of sushi and sashimi. After that I could even eat raw fish on the ocean fishing boat!
During time of IOWC, I was the only western member in the Norman, Oklahoma centre with state leader and his motherly wife, Harumi McCracken, and several Japanese members. Those members were so humble and loving to me, dedicated to our fundraising/witnessing mission though they could hardly speak English.
Four Japanese sisters out of nine active WFWP missionaries were in Nepal when we arrived the first year of our national messiah mission. They helped us to adjust to a new

English yet, and yet she was asked to become an IW to visit members around the country and offer support and guidance! Several members told me my mother really helped them at that time when they were struggling. Even without the ability to speak English! From my Japanese mother, I have learnt values that I think embody the Japanese spirit. Sincerity. Humility. Working hard, without recognition. Taking the jobs others don't want, believing in the value and purpose it has. Truly listening. Understanding people's hearts.

Serving, even in small ways. Kindness. Small acts of creativity, giving love and beauty. Prayerfulness. Acts of devotion to purify one's heart and mind and seek God's will and guidance. Incredible determination and steadfastness. All of these things have not got unseen or unfeelt. Those seeds of love and sincerity continue to grow all over our world, bringing in the beautiful spirit of a parental love that Japanese members have embodied so fully. We love you, we are with you, please stay strong and unchanging as you have always been. We know God will turn this suffering into a victory. Your home is this world, that you have sacrificed yourselves for. Yoshiko Pammer (daughter of Masako Kageta Chellew, originally from Ishikawa Prefecture, lived and served 41 years in UK)

親愛なる日本の兄弟姉妹の皆様へ
皆様のおかげで、今日これほど多くの人々が天の父母様の家族の一員としてここに集うことができました。私たちの多くは日本人の母または父を持つ子であり、一度も住んだことがないにもかかわらず、日本とのつながりを感じています。私たちや多くの人々は、その深さを知る由もない驚くべき献身の果実なのです。日本の会員たちは神の摂理の種として世界中に赴き、あらゆる国であらゆる形で神の御心に献身しました。
日本の会員たちは言語や文化の壁を越えて奉仕し愛する生きた模範となりました。
母が1982年に父とご縁を結び英国に移住した当初、英語は全く話せませんでした。それでも彼女はIW（国際女性会）として全国の会員を訪問し、支援と指導を行うよう求められたのです！当時苦闘していた会員数名が、母が本当に助けになったと私に語ってくれました。英語が話せなくても！
日本人の母から、私は日本精神を体現する価値観を学びました。誠実さ。謙虚さ。認められずとも懸命に働くこと。価値と目的を信じて、誰も引き受けない仕事を引き受けること。真に耳を傾けること。人の心を理解すること。ささやかな奉仕。優しさ。愛と美を届ける小さな創造性。祈りの心。心と精神を清め、神の御心と導きを求める献身的な行為。並外れた決意と揺るぎない信念。
これらの全てが、決して見過ごされたり感じられなかったりすることはありませんでした。
愛と誠実の種は今も世界中で育ち続け、日本の会員たちが体現してきた親の愛の美しい精神をもたらし続けています。
私たちはあなたを愛しています、私たちはあなたと共にいます、どうかこれまで通り強く変わらぬままにいてください。神がこの苦しみを勝利に変えてくださると信じています。あなたがたが自らを捧げてきたこの世界こそが、あなたたちの家なのです。

日本人の精神に備わっている回復力と静かな勇気は、これまで多くの困難を乗り越える力となってきました。そしてこれからも、これからもそうし続けるでしょう。

世界中の多くの人々が皆さんのことを思い、心と精神において皆さんと共にあることを知ってください。この困難な時期に、皆さんが互いに力と団結、そして励ましを見いだせることを心から願っています。

尊敬と連帯、そして希望をもって。

country and supported our mission. Without them, and their sacrificial service and exemplary determination, we may have given up. Together with Mrs Beniya, they raised money in Japan to establish a school that is still going for over 20 years and supported students and health checks every year. Mr Beniya also supported the national messiah mission with sacrificial devotion after dedicating many years in the Patanal. He became our father in heart. Another set of Japanese wives left

to give time in Nepal as missionaries. Their schedule for witnessing was very intense, such was their dedication. Tsuneko Neupane faithfully accepted matching with Nepalese husband and devoted many years to live there sacrificially serving Nepalese people.

The greatest gift and sacrifice from Japanese members for my husband and I was our daughter, Sophia YunHwa, given by Robin and Keiko Shaw in the U.K. as an offering child. We are eternally grateful for their unconditional offering, and feel honoured that our lineage will be connected to Japan through our daughter and also spiritually through my husband's dedicated spiritual mother, Miiko Kumakura Furuta. She witnessed to him as a missionary in London, U.K.

Thank you beloved Japanese members for all of your heartfelt dedication and sacrifice. We are so sorry for your unfathomable loss! We pray for strength and endurance for all of you during this very tragic and suffering time of persecution. Together with you, we keep hopeful and faithful in the restoration and renewal of the Unification Movement (FFWPU) in Japan.

愛する日本の会員の皆様へ、心から感謝申し上げます。アメリカと世界のために払われた皆様の涙と犠牲を、私たちはいつも心に留めています。
1年間会員として、私はシアトルで浜坂夫妻と子供たちと一緒に高麗人参のビジネスをしていました。彼らは西洋の会員を家族のように温かく迎え、とても勤勉でした。浜坂さんは私を日本の寿司屋に連れて行ってくれ、寿司と刺身を初めて味わう機会を与えてくれました。その後、私は漁船で生魚をやることもできました！

IOWCの期間中、私はオーマンのセンターで働きました。元指導者ご彼の母は母は妻、ハルミ・マクラッケンさん、そして数人の日本人会員と共にいました。彼女たちは私にとっても謙虚で愛情深く接し、英語はほとんど話せませんでした。私たちの募金活動と伝道活動に献身的に取り組んでくれました。
WFWPの活動的な宣教師9人のうち4人の日本人姉妹は、私たちが全国メシア宣教の初年度にネパールに到着した時、そこにいました。彼女たちは私たちが新しい国に適應できるよう助け、宣教活動を支えてくれました。彼女たちの献身的な奉仕と模範的な決意がなければ、私たちは諦めていたかもしれません。紅谷夫人と共に、彼女たちは日本で学校設立のための資金を集め、現在も20年以上続く学校を設立し、毎年の生徒の健康診断を支援してくれました。紅谷氏はバタナールで長年献身した後、犠牲的な献身をもって国内のメシア宣教活動も支援してくれました。彼は私たちの真の心の兄弟となりました。もう一組の祝福された日本の妻たちは、子供たちを残してネパールに宣教師として赴きました。彼女たち

の宣教活動のスケジュールは非常に過密で、献身的なものでした。ツネコ・ネウパネさんはネパール人の夫とのマッチングを忠実に受け入れ、長年ネパールで生活し、犠牲的な奉仕を続けました。

夫と私にとって、日本人会員からの最大の贈り物であり犠牲であったのは、イギリスのロビン・ショーとケイコ・ショー夫妻が供え物として授けてくれた娘、ソフィア・ユンファでした。彼らの無条件の献身に、私たちは永遠に感謝し、私たちの家系が娘を通して、そして夫の献身的な霊的母である熊倉美衣子（ふるた・くまくら・みいこ）を通して日本と霊的に繋がれることを光栄に思います。彼女は英国ロンドンで宣教師として夫に証しをしました。愛する日本の会員の皆様、心からの献身と犠牲に感謝します。計り知れない損失を深くお悔やみ申し上げます。この非常に悲劇的で苦しい迫害の時期に、皆様が力と忍耐を得られるようお祈りいたします。皆様と共に、日本における統一運動（FFWPU）の復興と刷新に、希望と信仰を持ち続けます。ジョン、ジンジャー、ソフィア・ニコルズ
