Register for this Year's FFWPU Family Camp!

This year's Family Camp will be taking place from the 24th- 29th of July along the theme of 'Built on Rock- with Purpose, Together, Forever'. Please see more details and how you can register below!

Family camp is unique in that it is the only place in our community where we have people represented from all age groups from babies all the way through to grandparents meeting as families for 5 nights to spend time together. When we think of our movement's vision to support families to grow into healthy communities that can reflect God's love for this world, it is a project with a lot of promise.

I hope that vision can be a big part of what motivates you to join us this summer if you are planning to be here in July. Let's continue to discover new experiences together that can enrich our lives and help to nurture this crazy and wonderful world we are living in.

Family Camp will be held at Cleeve House from:

Friday 24th July (afternoon/evening) – Wednesday 29th July (morning)

Complete the registration form at the link below and pay the £50 deposit by **31st March 2026**

We will have at least one brothers room and one sisters room. For all the other bedrooms we will be prioritising families with small children. (**rooms are limited in number**)

Another option is to book an Airbnb nearby together with any of your friends who are also planning to register – which can give you that little bit more extra flexibility.

We have 140 spaces so please register soon to avoid disappointment, and likewise if you have friends and family that you want to invite, let them know soon.

Several people in the anonymous feedback questionnaire from summer 2025 said they would like to volunteer in different ways for this summer. If you were one of them do please get in touch by phone or email. Thank you in advance!

See you in July, when the cold dark days of January will feel like the distance past.

God bless you,

Simon and the organising team

Please see this video below from Family Camp 2024 to see what it is like! We are excited to see you there this summer...
