1-Day Divine Principle Workshop Held in Scotland!

On 7th March, a one-day Divine Principle workshop took place at the Peace Embassy in Scotland, bringing together a group of 18 participants, including 3 guests...

The workshop covered four key parts of the Divine Principle: Introduction, Creation, the Fall, and Restoration. These sessions offered participants a structured and meaningful overview of the core teachings.

A memorable highlight of the day was Joyson, a recent graduate of the 7-day workshop, who delivered the Introduction with remarkable enthusiasm, adding great energy and inspiration to the program.

Overall, it was a focused and engaging day of learning, reflection, and shared purpose for everyone who attended.

We cannot wait to hear more from our Scotland Community!
