The Retreat
**SAVE
THE
DATE!**
11TH-14TH SEPT 2026

We're excited to announce the dates for this year's Young Adults Retreat, a highlight for many as summer comes to a close. From 11th - 14th September, young adults, along with many young families, will come together for a valuable time of connection, reflection, and shared community.

This retreat is always a special moment in the year. It offers the chance to gather in beautiful natural surroundings, create meaningful memories, and explore new experiences together. Whether it's spending time outdoors, deepening friendships, or simply taking a refreshing break from everyday routines, the retreat provides a space where everyone can unwind and grow.

More details will be coming soon, but for now, mark your calendars and look forward to a memorable weekend at the end of summer!
