BIRMINGHAM & WEST MIDLANDS

Community

On the 24th May a Sunday Service was held on Bournebrook Road in Birmingham, featuring music, and a message delivered by Stephen Buckley titled "Now is the era where we live in attendance to God." The service encouraged attendees to remain mindful of God's presence in everyday life while engaging all ages through worship and teaching.

NORTH ENGLAND

Community

The North England Community is grateful to the UPA missionaries for building strong connections with local youth, nurturing their hopes and motivation through simple moments such as a picnic and games on Saturday 22nd May. These joyful, intergenerational activities reflect how barriers of race, nationality, and age are being broken down as everyone comes together as one family.

NORTH ENGLAND

Community

On Saturday 30th May, a Divine Principle was held in Bolton, where four guests attended. There has been two recent 2-day workshops organised by the young missionaries as well.

A 2nd generation member visiting from Scotland recently joined and was immediately encouraged, as the very first person he approached on the first day brought a guest with them, uplifting everyone and strengthening the sense of God's guidance.

WALES & WEST COUNTRY

On 31st May, a Sunday service was held at Woodland Hall, Stanton Farm, bringing together members and guests from across the UK and abroad for a joyful time of worship, music, and fellowship. Highlights included a moving testimony, original music, small group discussions, and a shared potluck meal, making it a deeply encouraging and uplifting gathering for all who attended.

Community

The image features a solid blue background. In the center, the words "THANK YOU" are written in a large, white, sans-serif font, stacked vertically. Surrounding the text are several short, thick yellow lines of varying lengths and orientations, creating a celebratory or confetti-like effect. These lines are positioned to the left and right of the text, with some extending slightly above and below the main text area.

THANK YOU
