RECENT ACTIVITIES

WALES & WEST COUNTRY

Community

A lively gathering on 7 June at The New House in Stanton Fitzwarren brought together members from across the UK, with a balanced mix of generations, joyful worship led by Adam and Bernard on guitar, and a reflective flute accompaniment by David Rennie.

Stephen Buckley gave an engaging sermon on the spiritual oneness of husband and wife and the historical contribution of Phoebe Palmer and Hak Jan Han to women's leadership in faith.

The day also offered a vibrant experience for children through Sunday School, crèche, face painting and bubbles, and concluded with warm fellowship and a plentiful potluck meal enjoyed by all.

RIVER SOUTH

Community

In Maidstone 28 people attended a service themed Heavenly Parent's Dream on the 7 June, with a child-friendly presentation by Ala Zubovskis introducing the topic. The children then took part in a craft session making origami butterflies, boats, and cranes, while Vadim Zubovskis led an HDH reading and discussion with the adults. It was a warm and engaging time for both children and adults alike.

NORTH ENGLAND

Community

On Saturday 6 June, more than 40 adults and children attended the annual picnic in Manchester, enjoying a joyful, multi-generational day as the rain held off. The event brought together lively games and activities such as kite flying, football, badminton, giant Jenga, and a popular sandpit, alongside meaningful conversations about life and family.

TECHNOLOGIES IN WORSHIP

Report

A Technology Workshop was held at South Farm Barn from 5–7 June, led by Stephen Buckley with participants from Birmingham and London, focusing on equipping pastors and music ministry leaders with free, open-source tools for worship. The programme included hands-on training in FreeShow, creating lyrics and service plans, accessing visual resources, and preparing for Sunday service, alongside time for practice, discussion, and a visit to Holy Oak.
