UK *Weekly* Community Update

North England *Community*

On Monday 5 Oct, the Bolton community showed their culture in sports! The purpose of Monday basketball is to bring together members of the community, guests and missionaries. They had 3 guests join in and watched a movie and gave a Cham Bumo Ron lecture after.

The topic for their home group session was: **Making exciting goals, that God likes**!

North England *Community*

The community is working together to restore their missionary centre garden. Adding a new vegetable patch and flowers.

On Friday 9, they had Japanese language lesson, Bolton's newest member, Ayden, also brought along his younger brother.

Six North of England youth have also just started the Empower Program.

River South *Community*

On Sunday 11 Oct, the River South community had a Sunday service that was a meaningful time of faith and fellowship, inspiring participants to reflect on family values and strengthen their spiritual unity.

River South *Community*

A parents' meeting was also held for River South HARP to introduce the upcoming HARP leaders and facilitate communication and collaboration between parents and leaders.

North Thames *Community*

North of Thames held their Annual General Meeting at Lancaster Gate on Sunday 11 Oct, reflecting on activities and changes and with a financial report on the income and expenses over the past 12 months. A community survey conducted by Kieran H was also used as a basis for some valuable feedback and impetus for improvements for the year ahead. We were treated to a tasty sandwich lunch prepared by Naomi S, while conversations continued.

Birmingham *Community*

On Sunday 11, members gathered together in the South of Birmingham for a home at Uncle Martin Field's. They spent their time together discussing different topics in an open, relaxed setting.
