The West Country community members met for a small group meeting in the relaxed environment of the Cleeve House library with a welcome and a prayer. The HDH reading was from Matthew 5, **Jesus' Sermon on the Mount,** which led to lively and fruitful discussions about the Beatitudes, including what it means to be 'poor in spirit' and 'pure in heart'.

Everyone shared testimonies from their own lives of faith and reflected on the value of open discussions. These conversations help create bonds of relationship where opinions can be shared openly, respected and challenged.

Finally, Ginger concluded with a closing prayer, reminding everyone to keep our beloved True Mother close to our hearts with longing for her liberation.
