UK *Weekly* Community Update

27 Oct 2026

On the evening of 22 Oct, pumpkin-carving activity took place at the Rose family home, attended by three new members, missonaries and some 2nd gen.

The gathering fostered a happy and supportive family atmosphere, strengthening bonds and building a sense of community.

Two new members joined the missionary home this week and have begun their mission experience, marking the start of a new chapter in their personal and spiritual development.

During this week's home group, themed "Peace Through Relationship", two new members delivered their first lectures to a guest on Friday 23 Oct, inspiring the team with their passion and enthusiasm.

New guests continue to visit the centre each day, and the North England Community is hopeful of welcoming several more new members in the coming month as the spirit and momentum in Bolton continue to grow.
