### About the Workshop

The ROOTS 22+ workshop will offer a chance for you to take time aside to invest in your spiritual journey, as individuals and as part of our community. Part of the programme will be talks and presentations to stimulate discussion and generate a focused and reflective atmosphere. Alongside this there will also be chances for connecting and enjoying sports, games, and nature together, based on the interests of the group.

With the personal challenges that we are facing, as well as wider concerns regarding the future of our universe, we can find ourselves both overwhelmed and unsettled. Every now and then, we need to reconnect to our roots to regain direction and clarity, and a greater sense of hope and purpose. We hope this workshop, together with the investment of all involved, can provide an opportunity for an internal refresh and shift forwards: through Reconnecting, Open hearts, and Open conversations, Truth-seeking, and Supporting each other as brothers and sisters.

Please note that we will have schedule in the morning of the last day (Sunday) and the workshop will conclude with lunch. Plan your departure in the afternoon
