# Get Ready For AGF: Sunny Skies & Smart Prep!

**We're counting down the days to this year's Annual Gathering Festival at Cleeve House, and the weather forecast couldn't be better—it's looking like a glorious weekend of sunshine, with temperatures soaring to around 30°C each day!**

While this promises plenty of time to enjoy the beautiful grounds, open-air sessions, and community spirit, it's also important that we all come prepared for the heat so we can make the most of the festival safely and comfortably. Here are a few helpful tips to keep in mind:

## 1. Sun Protection is a Must

Don't forget to pack sunscreen for the whole family, and reapply it regularly throughout the day. Even on cloudy spells, UV rays can cause sunburn—especially during long periods outdoors.

## 2. Hats, Sunglasses & Shade

Wide-brimmed hats, sunglasses, and even a lightweight scarf can go a long way in protecting your head and face from the sun. If you prefer to avoid direct sunlight, consider bringing an umbrella or parasol for personal shade during outdoor sessions or meals.

## 3. Stay Hydrated

Bring plenty of water with you—at least one large bottle per person—and refill it whenever you can. Dehydration can creep up quickly, especially with kids or when you're active. Consider freezing a water bottle overnight to keep drinks cooler for longer.

## 4. Food Safety

If you're bringing pre-packed meals or snacks, make sure they're stored in a cool bag with ice packs to avoid spoilage. This is especially important for anything dairy, meat-based, or easily perishable.

## 5. Dress Light & Comfortable

Opt for light, breathable clothing and comfortable shoes—especially since you may be walking around the grounds or playing outdoor games. Natural fibres like cotton or linen are best in the heat.

## 6. Bring a Picnic Blanket or Fold-Up Chair

Having your own seating makes it easier to find a comfy spot in the shade or by your friends and family. Don't forget your picnic blanket or a fold-up camping chair!

## 7. Wet Wipes & Hand Sanitiser

Especially useful if you have little ones, or you're eating outdoors. It helps to keep things fresh and hygienic throughout the day.
