On October 9, representatives from the Brotherhood of the Cross and Star (BCS) visited the Family Federation for World Peace and Unification (FFWPU) UK Headquarters to share a message of solidarity and goodwill.

The BCS delegation conveyed a message of solidarity from Holy Father Olumba Olumba Obu to Holy Mother Dr. Hak Ja Han Moon, expressing unity in the vision of peace and harmony among all faiths and peoples.

During the meeting, both BCS and FFWPU representatives offered prayers together and discussed opportunities for greater interfaith collaboration in the United Kingdom. The exchange highlighted a shared commitment to fostering spiritual unity, mutual respect, and cooperation for the sake of peace and the realization of a God-centered world.

From Google: Brotherhood of the Cross and Star (BCS) is a global spiritual movement founded in Nigeria in 1956 by Olumba Olumba Obu. It describes itself as not a church or religion, but the "Kingdom of God on Earth" where members practice the teachings of Jesus Christ to achieve spiritual salvation. Key aspects include a focus on love, peace, and practical application of the Bible, though it has a unique structure and doctrines, including avoiding medicine and emphasizing faith healing.
