****** The Ilshim purity ring is an important part of the Ilshim Programme. It is a reminder for you to keep your purity lifestyle and is a gift that you can give your future spouse. However, if you already have a ring that you would like to use as your purity ring it is not necessary to buy the official Ilshim ring.

The image of the ring is placed below.

Thank you and I hope to see you on the 1st of November 😊 <3
