

FFWPU UK: CARP Christmas Music Evening Held at Livingstone House

Bogdan Pammer
December 12, 2025

On Friday the 12th of December a beautiful evening of music, fun and games was held at Livingstone House, organised by the CARP London team!

The event features musical performances from both youth leaders and guests. There was also a lot of joy to be had with bond building games and a fun raffle. Guests could also build greater bonds with CARP Youth leaders during and after the event through various meaningful discussions.

Please see below various photos from the event as well as images from different CARP events from throughout recent months, such as a fun games evening.
