September 6, 2018

We're back! After an exciting summer, school is back in session and so are our CARP chapters. Through different programs over the last few months, students developed the skills to be effective leaders on their campus and are now preparing for an incredible new semester.

Thanks to everyone who contributed to a strong start to the semester with:

- **15** Registered chapters
- **10** Developing chapters
- **12** Interested in starting a new chapter

We love seeing how CARP chapters are being represented on campus through Club Rush (pics below). See more updates on our [Facebook page](#).

HARP in Los Angeles Expanding!

High school students of HARP Los Angeles were inspired to start a second HARP chapter at a public high school at Santa Monica High after attending the international HyoJeong Trip this summer.

This also follows the successful development of a HARP chapter at Alhambra High School this past year. With a solid foundation of principled education in high school, we know these students will make an impact when they get to college!

Chapter List

A busy summer for CARP usually leads into a busy new school year. Here is a list of chapters, all led by hard-working and passionate students who want to make a difference on campus.

Please keep them in your thoughts and prayers.
