I'm back but the fast is over! Thank you again for your prayers, interest and support concerning the role of external adoptions in our Movement and the plight of orphans in today's world.

As I mentioned at the end of the condition, I was thinking of creating a Facebook group to keep the discussion going and see if we could work together to turn faith into substance.

That day is here. The group is called Heavenly Adoptions are US.

If you would like to be a part of it, please send me a friend request, I will accept it and then send you an invitation to join the group.

I am really excited about this.

I believe we can really make a difference.

Thank you.
