

## 8-Day Prayer and Fast for Healing in the True Family - The Third Full Day

The third full day of the prayer and fast for the True Family is complete although, I must confess, I did not make it Holy Ground today. Hopefully, I will feel up to it tomorrow.

Then, I will be praying for Kook Jin Nim, his wife, Shin Rae Nim, and I believe their three children and Hyun Jin Nim, his wife, Jun Sook and, if I am correct, their eight children as well.

Once again thank you for everyone's prayers and support of this condition. I read a passage today where True Father said:

"What I have accomplished is not because I am great, but because God has been with me." CSG: 1152

Not only has Heavenly Parent been with me during the prayer and fast but I know many of my brothers and sisters have been too. God's blessings on you all.
