Sad to report that one of our early members, Carmela Acohido Lim, past away yesterday in London.

Carmela, who was born in Hawaii, was witnessed to by Phyllis Kim.

She and Bruce Brown started the church center in Hawaii in early 1973.

In 1975, she was with the first group of international missionaries.

She pioneered several countries for many years before moving to London with her husband, Victory Lim, and having one daughter.

Her heart was always centered on pleasing God and True Parents.
