Dear friend,

As a participant of a previous series of the Middle East Hyo Jeong Forum, you are kindly invited to attend the new series of the Middle East Hyo Jeong Forum, starting on the **8th of October** and continuing for 10 sessions, once a month on a Saturday.

The Forum will spotlight the work of youth who are making a change in their communities and countries in the fields of service, arts and culture.

By bringing out these like minded youth in a platform to share their creative ideas and by developing exchanges and dialogues beyond the region, we hope to create a fusion with the Hyo Jeong movement that is taking place in East Asia.

Our forum's key concept - Hyo Jeong - is a Korean word, broadly indicating hearts, spirits and ethics of the family, based on filial love to the elders, parents and the Creator God. Such family values, essential for peace and unity, can be extended into society, a nation and even the international community.

The first session will be on the **8th of October** from **11:00 - 13:00 GMT** or **14:00 to 16:00** Istanbul/Beirut time, with a focus on Lebanon.

Mr. **Ramy Taleb**, Founder and Director of [Al Shabib Risala Organization](#), will share about the incredible work of the foundation primarily with the emerging generation to strengthen social cohesion and build a more peaceful future!
