

FFWPU Pakistan: 288 couples - including several pastors - received the Blessing

Umberto Angelucci
September 19, 2025

In partnership with Christian Pastor Amir Masih, Church Pastor Nair Kamran, and Pastor Imran Gull, we held Holy Marriage Blessing Ceremonies in Yeongsanabad and Martin Pur on September 18 and 19, 2025. These historic Christian towns near Lahore were founded through the pioneering mission work of Rev. Dr. Yeongson and Missionary Martin, with churches established 129 years ago.

The purpose of these ceremonies was to bestow the Holy Marriage Blessing upon pastors, couples, and congregations from various Christian denominations - to purify marriages before God, unite families under Heavenly Parent and True Parents, and advance toward our national goal of blessing 2,100 couples in 2025 as part of expanding the Blessing movement throughout Pakistan.

Pastors and their congregations participated in the Holy Juice Ceremony with deep reverence. Christian pastor couples from Punjab testified that they had waited over 20 years to receive this grace. Many shared that through the Blessing, their marriages were purified and they could now stand before God without sin. The presence of the Holy Spirit was powerfully felt, and we were spiritually embraced by our Beloved Holy Mother Han, whose presence we sensed with us, blessing each couple.

In total, 288 couples - including several pastors - received the Blessing. So far this year, approximately 1,600 couples from diverse denominations have participated, as we steadily move toward our national target. Our next milestone is to break through in the third province and expand the Blessing with the vision of reaching one-third of Pakistan.

Together with pastors, youth, and congregants, we offered heartfelt prayers for Holy Mother Han's health and longevity. Even amid challenges, we remain absolutely united with our Beloved Holy Mother Han, determined to bring joy and victory to our Heavenly Parent.
