

## **New York City Peace Road Event - August 4, 2015**

Dominic Barber

July 29, 2015

Dear Members

Please see the attached flyer about the Peace Road Bike Tour.

The Peace Road event will be held on Tuesday, August 4, following the USA Peace Road tour on the west coast this month. It has two components: a program and exhibition at the United Nations Headquarters at 9 a.m. and a bike ride at Central Park at 1 p.m.

The United Nations program is sponsored by UPF International. It will include presentations on the vision and global impact of the Peace Road initiative and a photo exhibition of Peace Road events around the world. The program is designed in response to True Mother's request that we introduce the Peace Road initiative to world leaders. Seating is for 75 participants.

The bike ride at Central Park provides an opportunity for members, friends and guests to have fun connecting with the Peace Road foundation. It starts at 1 p.m. and bikers will have route options for riding throughout the park. Participants are to provide their own bike and any number can join in. Many bike rental stations are located around the park. Peace Road t-shirts and hats will be available.

Everyone must register online at [www.peaceroadny.org](http://www.peaceroadny.org) to participate. Seating in the program is limited so registration should be submitted quickly.

Thank you!

# PEACE ROAD NEW YORK

CONNECTING THE WORLD  
AUGUST 4, 2015

9 AM

## PEACE ROAD EXHIBITION

*United Nations Headquarters*

Learn about the Peace Road vision and its impact around the world.
