PLEASE NOTE : Next weekend's Sunday Service, (that's Sun July 13, *not*, this Sunday July 6th!)(That's 11 am, not 10 am!)

WHY? This never before attempted Bus Tour, rediscovering God's Hope for America. is laying a much needed foundation for personal and church revival in our national movement. Want renewal? This is it. You will be happily surprised!

UNPRECEDENTED: The entire District One , Virginia, DC and Maryland will all join together for a day of serious message, prayer, fun, great food and warm fellowship. Please make every effort to get going a little extra early on Sunday the 13th, come to Baltimore (its only 45-55 minutes from Bowie) and make this a committed family event with Dr Balcomb. Never before have we attempted a District event so ambitious.

PARK BEAUTY, SPIRITUAL CENTER POINT: Many of us even dedicated members have never even seen, or been to this Holy Place created by True Father in the rolling hills of Baltimore's gorgeous Druid Hill Park. Hundreds of acres of beautiful nature. In many ways this park and spot are the spiritual center of Maryland. As Pastor Stewart says, "It is a place truly where prayers are answered." The park is a massive forest preserve complete with Druid Lake, and hundreds of acres of clean, quite, pristine landscapes. The holy Ground is on an isolated windy knoll with views and fields of grass.

YOUR COMFORT: Be assured! We will be nearly totally in the shade! You will have comfortable folding chair seating for several hundred people. Electified sound systems, signs marking the spot! Festive balloons, and many BBQ grills run by the church Boy Scout Troop. Lots of bathrooms nearby. The Sunday Servicevenue is situated at the lake side, a short walk from the Holy Gound.

PICNIC LUNCH FOR ALL; Great food! Hundreds of hamburgers, hot dogs cold drinks. (All main food; hamburgers and hot dogs and cold drinks **provided!**) (Email to follow asking optional *non-perishables* like fruits, salads to be brought by familes for group tables)

Even at this late date, some of us are just catching up and warming up to the real value of the tour. That's OK! This seems to be just the beginning of a more audacious revival movement in our church. Don't miss it!

For the Bus Tour,

Jim Boothby
Assistant Pastor
