New Hope Christmas Gala 2018

Our first real foray into a "New Hope Christmas Party Gala 2018!" For those of you that missed it! Absolute rocking good time at Melford last Friday. Such a nice evening.

Great venue, wonderful people, capacity crowd, exquisite meal. Decorations were gorgeous and hospitality and spirit was so good. Some very nice guests, great hospitality.

And terrific performance by Dan Fefferman's band, Blue Vinyl. The live Christmas music and even the dance music was such a crowd pleaser. Dancing and even a conga (dance) line broke out.

People really seemed to enjoy themselves. Several people commented we ought to do more fun social events as a healthy wholesome counterpoint to the seriousness of our other definitely more serious spiritual services.

Thanks to the many people who worked on it. And special thanks to Rex Butler, Amael Rodrigues, Margaret Herbers, Larry Moffitt, Dan Fefferman, Bob Abendroth, Melissa Manor, Laura Herbers, Angela Eisenbart and Gil Roschuni who made extraordinary contributions to the effort.
