Revised Information

"MY TRIBE Family Conference"

On **March 1st and 2nd**, all across America we will join together in launching a renewed focus in 2019 of all Blessed Families becoming Heavenly Tribal Messiah Victors.

Please join all the local pastors, community ministries and youth leaders from 11 states, as we work toward seriously searching for ways to Save America. There will be lots of music, prayer, practical guidance and fellowship. We'll share best practices from around our Southeast Region and have a special video link with our national ministry team led by Dr. Ki Hoon Kim and Rev. Demian Dunkley.

Our venue at The **New Hope Family Church in Bowie** will be one of 5 sites around the nation hosting this special kick-off of the "MY TRIBE Family Conference." It is a kind of National FamiCon.

This **registration Link** is for the 2-Day Conference and the \$25 Registration fee covers all meals and materials for the 2-days. hsa.regfox.com/sr2-registration

Then on **Sunday, March 3rd at 11AM sharp**, we will gather in a unified SR2 Sunday Celebration at the Hoff Theater at the University of Maryland Stamp Student Union Building. Our joint SR2 band made up of members of each local church, will lead us in worship. We will have a great Sunday School room with their own service for children Elementary thru High School.

Looking forward to seeing you there. Register today for 2-Day Conference.
