Healing the Divide

Baltimore Nov 9, Clean -Up, Healing

9:00am Service project, 12:30 Peace Concert, Food Giveaway

Be There! Rehoboth Church of God, 800 Poplar Grove, Baltimore, MD

Dear NH Family,

On Sat Nov 9th the **Baltimore Family Church**, supported by **New Hope and Dist-1**, will hold a festival-rally and neighborhood clean-up. It will be healing for a "broken and divided city" in **Bishop Keith Allen's** large and Historic **Rehoboth Church** situated on Baltimore's "west side".

Please join our efforts there 2 Saturdays from now! This major rally is the first time such has ever been done. It will include both **Dr. Ki Hoon Kim** and **Bishop Allen**, our ACLC co-chair as featured speakers. We are hoping to even have bus service from **New Hope** for members to travel there! As well as from the **DC churches** and **NOVA**.

The day's events include a neighborhood clean-up of streets and alleys from 9 to 12 noon, then lunch and a rally and hope-giving festival at the church.

Rev. Stewart expects in attendance, the media, other pastors, possibly the mayor, and various city officials, etc. Several tons of donated food will be given away for needy neighborhood residents. It will be a wonderful and satisfying day supporting Baltimore, MD's flagship city, a city that's divided and in many ways needs love and renewal.

Please plan to join us for both the morning clean up and luncheon and rally. Sturdy walking shoes and work clothes for the morning are good. Some members such as those in northern areas like Laurel may choose to drive there. (only 30 minutes from Laurel- **Rehoboth Church of God**, 800 Poplar Grove, Baltimore, MD)

Also attending will be the **DC Church's** children's choir, **New Hope's Youth Group**, our **Boy Scout Troop**, and even all the way from the **Atlanta Family Church** in Georgia with **Pastor Levy Daugherty**- their new choir.

Going out to the streets and meeting, loving and supporting the residents, bringing a measure of hope and service to such distressed communities is no magic panacea per se...but it's CERTAINLY a good start to what we hope can be a positive change. Stay tuned for more information.

ALSO, TO HIGHLIGHT THIS EFFORT, Pastor James will offer the Sunday service message at **Melford** this coming Sunday, November the 3rd.

Let's pitch-in for this effort-call by **Dr. Kim** to make a beginning investment in starting to heal Baltimore. Thanks,

JIM BOOTHBY, PASTOR

Healing THE DIVIDE
