Launch of End of Year NH Giving Campaign, Make an Extra Offering

Please Come Prepared to consider a generous "extra" offering, by check, card or cash this Sunday.

We must sustain the incredible treasure that our local New Hope Church IS ! New Hope has a great facility, wonderful members, numerous talented team leaders, has made great strides this year in many ministry areas. A new purchased Building is envisioned. Even the great programming this weekend; gala Christmas Party, with a live band, gourmet Holiday Meal, preeminent speaker Rev Kevin McCarthy and our annual (free ..) Christmas Holiday ham luncheon...ALL this wonderful infrastructure ..honestly is costly..and is sustained and only made possible by your generous financial gifts! So, thank you ! When all give generously, we can keep it in place.

We are kicking off our 7 week End of Year ~ Beginning of Year Capitol Campaign to raise an **extra** \$40K in "end of year love offerings". You can mark extra offerings as "Campaign Year End Gift"

You and I are very fortunate to live in one of the "Best FFED church communities" in the country. Financial strength is a very real ingredient of that. Please consider a generous "extra" gift at year's end, **beyond** regular tithing. Thanks and God Bless you...in Advance!
