It's a Time to Invest Everything!

Dear Family,

True Mother's key initiative of the new year the **Global (Digital) Rally** highlighting Unity for North and South Korea happens
Sunday August 9th. Reunification right now is Heaven's key
concern, with other important concerns simmering. a.) Global Peace
Road initiative, b.) Racial Harmony in the USA, c.)
Successful distribution of Mother's Memoirs as a best seller, d.) The
start of the new 7 year course, d.) Not to mention a presidential
election in November.

Trough and for all of this while we are somewhat limited physically we can create strong conditions of Prayer and jeongsung .True Mother herself is apparently doing a very serious 11pm - 2 am (Korea time) daily prayer and jeongseong offering of her own to make condition for this Augst 9th's victory.

Please join us for this prayer. It will be 21 minutes total as a group on zoon for 21 days, starting tomorrow Monday night, July 20th. We realize it's short notice. In any case please join. If you start a day late, extend a day on the end. Or come as you can. It all helps!

We will do several 1 or 2 minute representative prayers by different people to keep it fresh and fun, followed by 12 or 15 minutes of powerful unison prayer for the generated prayer points. (to follow in separate email tomorrow.)

God Bless you. God Bless America, See you tomorrow!
