

One Day Divine Principle Seminar

Rome, Italy, 1. November 2014

We held a 1 day seminar on Divine Principle in Colle Mattia, Rome. It was a wonderful chance to revive the Principle spirit for members, but also the chance to invite guests of the Tribal messiahs. The participants included 10 member and 16 guests. Among the guests, 9 were completely new, that means that they never came to the church before. During the program 4 lectures were given by Giuseppe Cali, with the following titles: "God, Man and the Universe: is it possible a relationship?" Based on the ideal of creation, then "Spirit and sexuality: contradiction or synergy? Based on the Fall, "Why, for what and for whom we fight in our life?" based on Principle of Restoration and

finally "Parallel of History: does history repeat itself?", based on parallel of history and the second coming.

The attendance was wonderful and everybody asked for further explanation to deepen their understanding of the Principle. There were especially two guests that asked to have a WS to learn how to teach Divine Principle, so much they were inspired.

It was very inspiring for the Roma members as well, after much effort in witnessing as Tribal messiahs.

Very soon we will organize a deeper WS to form new Unificationists and prepare them for the next Blessing.
