

WFWP Bergamo/Italy, Philip Hill's presentation on Spiritual Reality

December 3, 2016

WFWP Bergamo/Italy held an event to help us understand more about our spiritual reality.

It took place on 3 Dec 2016 in Bergamo. After a brief introduction by Giannina Figus, we had a guest speaker from the UK, Mr. Philip Hill. Philip gave us great insight into our spiritual reality, including our aura and spiritual body. He is spiritually open, so he shared a lot about his own experiences with the spiritual world.

The guests were very interested and enthusiastic and had a lot of questions. Due to the great interest and depth of the content, a follow-up session might be scheduled in the near future.
