### GPA Class of 2020 sent off in virtual style

On Saturday June 6, 2020, Generation Peace Academy (GPA) held their virtual graduation ceremony, completing a very special and memorable 2019–2020 year. Amidst the many challenges of 2020, one benefit of hosting a virtual graduation ceremony was the thrill in welcoming over 400 GPA families, communities, alumni and friends to celebrate the graduates. The spirit was to make it the best graduation ever to conclude a year filled with blessings.

During the ceremony, Roland Platt, director of GPA, remarked, “This year will certainly go down in history as the most unusual and the most blessed so far. Heavenly Parent is watching with pride and joy as a new great generation of young people are graduating. Today is your D-day. To get here you have walked an exciting and challenging course, with many victories, highlights and happy moments – but these all came on the foundation of your consistency, endurance and sacrifice.”
