

FFWPU USA: Registering Births of Blessed Children Born Between 2020-2023

Demian Dunkley
January 23, 2024

Dear Pastors and Leaders,

As you know True Mother's main focus is how we can share the Blessing and firmly establish God's lineage on earth, by having healthy, happy blessed families. The care of even the youngest children is very important. That's why True Mother established the HJ Nuri service and personally chooses the theme for every month.

Part of our work is knowing who these second and third generation blessed children are. True Mother has asked to know about the numbers of BCs who are being born in each country at this time.

Therefore, International Headquarters has asked us to compile a list of all the Blessed children who were born in the years 2020-2023 and ongoing. This includes the children of couples who received the Cosmic Blessing, as well as Heavenly Tribal Messiah couples who completed the 3 day ceremony. We need to gather this information and submit it to Korea by January 23, 2024. So we are urgently requesting all pastors to fill out this [form](#) as quickly as possible.

Thank you for your cooperation and support. We really appreciate everything you are doing out in the field!
