True Parents' Message Given at the Heavenly Korea Family Federation Pastoral Couples Special Audience with the True Parents of Heaven, Earth and Humankind

July 2, 2025

Am I Holy Mother Han? What does this mean?

The Creator created all things of heaven and earth according to the original image, and finally created a man and woman who could become the ancestors of humanity, and to them God gave a responsibility. God waited for them to advance to the position of perfection during their time of maturation, their period of growth. However, they could not achieve this, and thus today's fallen humanity came to be.

The Creator must absolutely see perfection achieved. The unfallen world of all things of creation operates automatically through the cycles of the creation principles, but due to the actions of fallen humanity, the natural world is also being damaged. The Creator could not simply abandon fallen humanity. God therefore had no choice but to undertake the difficult course of the providence of salvation. Among the many nations, God carried out the history of the providence of salvation through the chosen people of Israel. In the course of God's providence conducted through central figures who were established beginning from the individual level, when the people failed to unite with the central figures and distanced themselves from Heaven, the people of Israel were taken away as slaves. You know this through the history recorded in the Bible.

It took not just 100 years, but, with the passing of century after century, 4,000 years for Jesus Christ, who was "conceived by the Holy Spirit," to be born. However, neither Mary, nor Zachariah's family, nor the traditionally faithful, nor the people of Israel understood Jesus' essence.

Moreover, they did not know the essence of the Creator. Jesus said, "I have much to say to you, but you cannot bear it now." Eventually, their lack of understanding drove Jesus to the cross. Because of this, the chosen people of Israel became a people who had to pay indemnity. We know this through history.

Facing death on the cross, Jesus said, "I will come again." Christianity began through the Apostles as they waited for Jesus, who had promised to return. However, because they did not understand the reality of the spirit world, they made many mistakes. Salvation could no longer come solely through the Catholic Church. Therefore, the Reformation occurred, and in 1543 Calvin advanced Christian thought.

Jesus definitely said he would come again. He planned that upon his return he would hold the Marriage Supper of the Lamb. Then the Christian sphere should be awakened. Before waiting for the Messiah who would come again, they should first know where Heaven's chosen Only Begotten Daughter would appear. However, none of these things happened as intended.

The beginnings of Protestantism was a movement to freely attend Heaven starting from the family. It began through the Puritans who traveled from Europe to America. There were already indigenous people living in North America, but God wanted to quickly save the world through the providence. Therefore, God blessed America, a Protestant nation and democratic country that could fulfill that responsibility.

Though America grew well amid Heaven's blessings, it became complacent. Family breakdown, drug problems, youth problems and selfishness arose. Moreover, America was in a situation where it could be taken over by communism. Therefore, less than ten years after the Holy Wedding in 1960, True Parents began the providence in the United States. Forty years was invested in America, because if this key nation representing democracy and leading the world would attend Heaven and become one with True Parents, a peaceful world of one family of humankind could be realized and all nations could unite in peace.

In 1975, the global witnessing effort began through young members from the US, Europe and Japan. Even now, though they have grown older, there are members who are still investing in their mission after more than 50 years. Therefore, during the recent Cheon Won Gung Entrance Ceremony, their achievements were commended in the name of Holy Mother Han. That was good, wasn't it?

True Parents' mission is to create the environment on earth where Heavenly Parent's dream, life in the earthly kingdom of heaven, can be realized. Particularly, this is the life that true children who have come through blessed families should live. I expressed it this way: It is like single drops of water gathering with others to form a stream, then becoming a river, which flows toward the broader ocean, creating the environment for the nurturing of many forms of life.

The Family Federation began through this Korean people, but because it advanced without having a Christian environment, its growth was inevitably slow. Moreover, the one who has the mission of the Messiah at the Second Advent becomes the Returning Messiah only by meeting the Only Begotten Daughter. Just as Heaven brought forth the Only Begotten Son, Jesus Christ, 2,000 years ago, so too must Heaven bring forth the Only Begotten Daughter from within a Christian environment.

The completion of the providence comes through the Only Begotten Daughter, through Holy Mother Han. I have shown you everything. If there are people who, due to a lack of proper understanding of the providence, remain stuck in the Old Testament era even while witnessing the present-day environment, we must teach them

the present day environment, we must teach them.

하나 되어야만 미래가 있다고 말해야 합니다. You are living in the Cheon Il Guk era. What is Cheon Il Guk? It is a nation where blessed families, sons and daughters, who attend the Creator Heavenly Parent on earth are living. Then with whom must you become one? You must become one with Holy Mother Han. Do you understand? Now you must boldly state that this people has a future only by becoming one with Holy Mother Han.

Ask those in the Christian realm: "Why did Jesus say he would come again?" Ask: "What did he say he would do when he comes again?" Ask: "How long will you just keep waiting for Jesus' promised return?"

You cannot enter Heaven just by believing in Jesus. Heaven is the place where blessed families that exist due to True Parents can enter. This is something that everyone desires. Today's reality, from which we can look toward the future, is one of ongoing wars, conflicts and religious strife. Until now, religions have emerged centered on men. This is not in alignment with the principles of creation.

It is the mother who gives birth to life. Do you understand? We should attend the Mother. We must attend not only Heavenly Father but also Heavenly Mother. You leaders of today must practice this and show it through your actions. You will do this, won't you? Shall I trust you on this?

Have you made your determination for 2027? After 6,000 years, through Holy Mother Han, the Cheonil Sanctum was finally offered—a dwelling place on earth where Heavenly Parent has entered and can be fully attended. Yet even now, the environment remains far from adequate. That is why I have long since emphasized the urgent need for witnessing. It cannot be just one person per month—it must be at least one person every day. The nation must be restored. Only in this way can our people fulfill their responsibility as the chosen people. Only then can this nation become the homeland of the chosen people that is respected and revered by the world! Will you do this? Where will you begin? Will you start from Gapyeong? Will you start from South Gyeongsang Province? Will South Jeolla Province just observe? Let us all achieve victory together!
