【Special Notice】

To all Blessed Families around the world,

May the grace and love of Heavenly Parent and True Parents be with you.

Currently, Cheon Il Guk leaders from around the world have gathered at the HJ Heaven and Earth CheonBo Training Center to offer 13 days of Special Devotion, praying for True Mother's safety and health, and making a commitment to the beginning of a new era and new history.

Therefore, we ask the cooperation and unity of all Blessed Family members worldwide to offer special devotion with one heart and one will centered on Heavenly Parent. We earnestly request your participation in the Cheonshim Won Vigil Prayer today, on September 16th (Tuesday) at 10 PM Korea time. We apologize for the sudden request and ask for your deep understanding.

As much as possible, please gather together at the church to offer your Cheonshim Won devotions tonight, but if circumstances are difficult, please offer your devotions at your home or where you are currently staying. Thank you.

With sincere regards,
World Mission Headquarters
