An Update from Rev. Dunkley

Beloved Family Members,

I hope you are well, and I hope you had a chance to read my letter about True Mother that was sent out earlier this week. If you missed it, here it is on facebook in English, Japanese and Korean: www.facebook.com/share/p/1BGRPgMaou/

The purpose of this memo is just to give you a short objective update:

True Mother spent about 8 hours with the special prosecution office. She arrived calm, resolute and kind. Here is an instagram video of her entry: www.instagram.com/reel/DOshoiRjviw/?igsh=MXJxeXZkdHVtZ3liOA==

Church members were advised not to gather so as to not cause a disturbance (I believe it would have been better to gather to show support). Unfortunately, the media were not well behaved while True Mother exited the building. Nonetheless True Mother is fine, thank heavens.

Now, as you may have heard, the prosecutors have asked the court to issue an arrest warrant, which is a standard form of detainment to stop suspects from tampering with evidence.

The legal process for that in Korea starts with a “pretrial detention hearing,” to make sure no one is detained without a proper review; a process to protect people’s rights. At this stage, a judge listens to both sides and decides whether it’s necessary to hold someone while the investigation continues. It will be very telling to see which way the court decides in Mother’s case.

Keep in mind this is not a trial. It’s not a statement of guilt. It’s just one step in a process that’s supposed to balance justice with fairness—and hopefully with basic human dignity.

Thank you, dear family members. Please keep True Mother in your prayers and take action now by signing and sharing this petition below.

For your reference, below is the official *public statement* from the Family Federation in Korea.

Let us keep strong in faith and fully support our True Mother.

Family Federation for World Peace and Unification Statement on Special Prosecutor's Request for Hak Ja Han Arrest Warrant

September 18, 2025

- Our Position on the Special Prosecutor's Request for an Arrest Warrant for Dr. Hak Ja Han

The Family Federation for World Peace and Unification (hereinafter referred to as the Family Federation) expresses its deepest concerns and heartbreak regarding the request for an arrest warrant for Dr. Hak Ja Han.

Dr. Hak Ja Han, 83 years old, recently underwent a heart procedure and was hospitalized. During the recovery process, she suffered a sudden recurrence of arrhythmia, which led to her receiving medication. Following the medical team's recommendations, she is currently undergoing a period of rest and recovery management.

Despite the life-threatening recurrence of the arrhythmia, Dr. Hak Ja Han, who has dedicated herself to her public missions, including world peace, the unification of North and South Korea, and the resolution of the Korea-Japan conflict, proudly appeared voluntarily at the special prosecutor's summons and answered all necessary questions from the prosecutor for nine hours and thirty minutes. However, the special prosecutor's request for an arrest warrant, citing flight risk and destruction of evidence, is disappointing. It appears that the special prosecutor, who is supposed to follow the law and principles, is acting in a way that is driven by public opinion and performance, not by the law.

Furthermore, former Chief Yoon Young-ho, the sole witness to the Chairman's orders, denied some of the facts at trial yesterday and even refused to acknowledge the Chairman's orders, refusing to acknowledge the authenticity of his own testimony to the prosecution. Requesting an arrest warrant against the Chairman based on Yoon Young-ho's testimony is an excessive and unreasonable measure, as it is a request for an arrest warrant without evidence.

Furthermore, requesting an arrest warrant against an internationally respected religious leader without providing clear evidence is an act that betrays even the most basic level of respect for religious leaders. This not only undermines trust in the rule of law in Korea, but could also negatively impact the Republic of Korea's standing in the global community.

The Family Federation for World Peace and Unification strongly condemns the special prosecutor's actions, which constitute unjust suppression of an international religious leader. We strongly condemn the President's actions, which should have been preceded by humanitarian

consideration and rational judgment, rather than unreasonable and coercive procedures. The President has already been conducting all procedures with a responsible attitude, and any coercive measures that ignore this can never be justified.

The Family Federation for World Peace and Unification will use this incident as an opportunity for deep self-reflection and more thorough reform to fulfill its original mission. Furthermore, we pledge to be reborn as a responsible religion that contributes substantially to the peace and development of society, the nation, and the world.

한학자 총재 구속영장 기각 탄원서 (직접 입력용)

세계평화통일가정연합은 한학자 총재님에 대한 구속영장 청구에 깊은 우려를 표합니다.

총재님은 83세의 고령과 심장 관련 치료 등 어려운 건강 상태에도 법과 절차를 존중하며 9월 17일 특검 조사에 자진 출석해 장시간 성실히 임하셨습니다.

도주나 증거인멸의 우려가 없는 상황에서의 구속 청구는 과도한 조치이기에, 인도적 배려와 합리적 판단을 요청드립니다.

본 탄원서 제출 구글폼은 한학자 총재님의 불구속 수사를 촉구하는 탄원으로 취합·제출됩니다.

많은 분들의 자발적 참여를 부탁드립니다.

※ 본 탄원서는 재판부에 제출되는 문서이므로, 개인의 경험과 사실에 근거해 간결하고 정중하게 작성해 주세요.

韓鶴子總裁に対する逮捕令状請求の却下を求める嘆願書（直接入力用）

世界平和統一家庭連合は、韓鶴子總裁に対する特別検察の逮捕令状請求に深い懸念を表明します。

總裁は83歳という高齢で心臓治療中という厳しい健康状態にもかかわらず、法と手続きを尊重し、9月17日に特別検察の取調べに自発的に出頭し、長時間にわたり誠実に応じました。

逃亡や証拠隠滅のおそれがない状況での身柄拘束請求は過度な措置であり、人道的配慮と合理的判断を求めます。

本グーグルフォームは、韓鶴子總裁に対する在宅（不拘束）での捜査を求める嘆願として署名を取りまとめ、提出いたします。

多くの皆さまの自主的なご参加をお願いいたします。

本嘆願書は裁判所に提出される文書ですので、個人の経験と事実に基づき、簡潔かつ丁寧に記入ください。

Petition for the Dismissal of the Arrest Warrant Against President Hak Ja Han(For Direct Input)

The Family Federation for World Peace and Unification expresses deep concern over the special prosecutor's request for an arrest warrant for President Hak Ja Han.

Despite her advanced age of 83 and ongoing cardiac treatment, President Han respected the law and due process, voluntarily appeared for questioning by the special prosecutor on September 17, and cooperated in good faith over an extended period.

As there is no risk of flight or evidence tampering, seeking pre-trial detention is an excessive measure; we call for humanitarian consideration and a reasonable judgment.

This Google Form will collect and submit signatures as a petition urging a non-custodial investigation of President Han.

We kindly ask for your voluntary participation.

※ As this petition will be submitted to the court, please write it concisely and politely, based on your personal experience and facts.

※ Submission deadline: September 21, 2025, 18:00 (KST)
