

FFWPU USA: Message from True Mother to All Members

Demian Dunkley
September 22, 2025

Dear Members,

Please see the statement from True Mother below. She has just sat through over 5 hours of deliberations between the prosecutors and her lawyers, and is now being detained awaiting the judge's decision.

While all of this is going on, please take to heart the words she has sent us below. This is truly the Mother of Humanity.

Rev. Demian Dunkley
Continental Director

Dear Blessed families and members,

We sincerely thank you for your heartfelt devotion and prayers for True Mother's well-being and longevity. Today is a historic day that marks a great turning point in Heaven's providence.

In this grave and critical time, True Mother is not worried about her own safety. Rather, just as Jesus told his disciples not to pray for him but to pray for God's Will and for themselves, True Mother has earnestly given the following request:

"Do not worry about me. Do not pray for me. Please pray and offer devotion for you and your families, our whole Unification family, and that the Will of our Heavenly Parent may be fulfilled. I love you, blessed families."

Beloved members,

Let us all unite in heart, love, word, and deed with Holy Mother Han, True Mother, so that together we may achieve a great victory.
